FY 2019 Sponsored Funding Report

Research and Innovation, Legal and Legislative Affairs (RILLA)
August 15, 2019

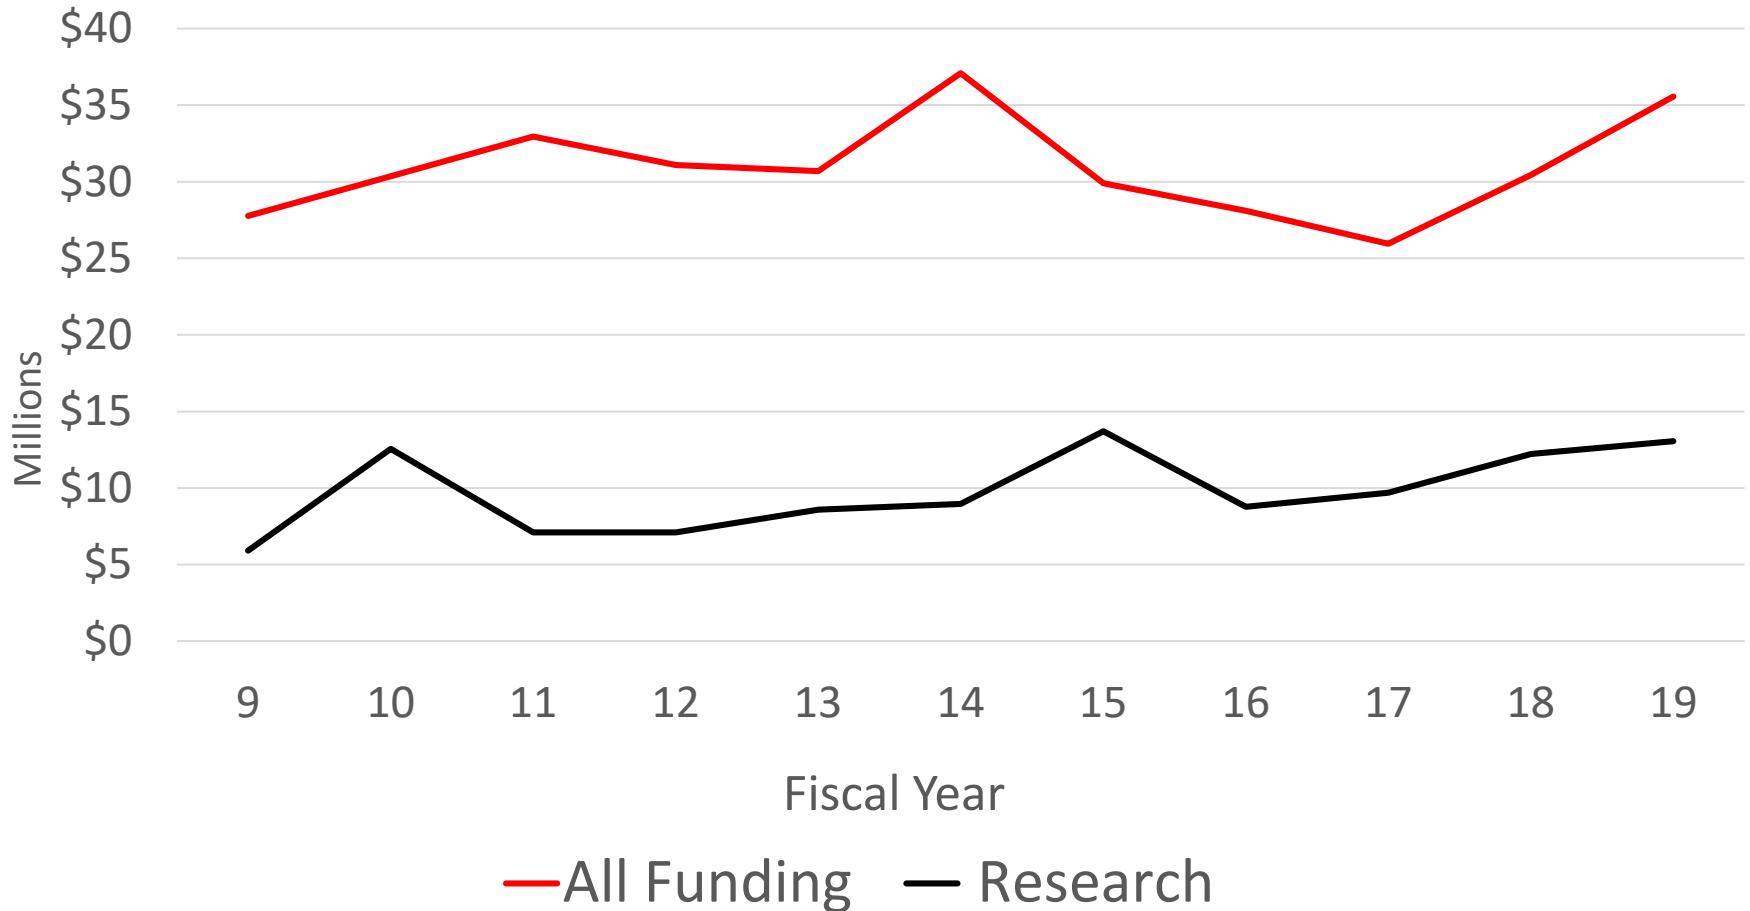

Funding Overview

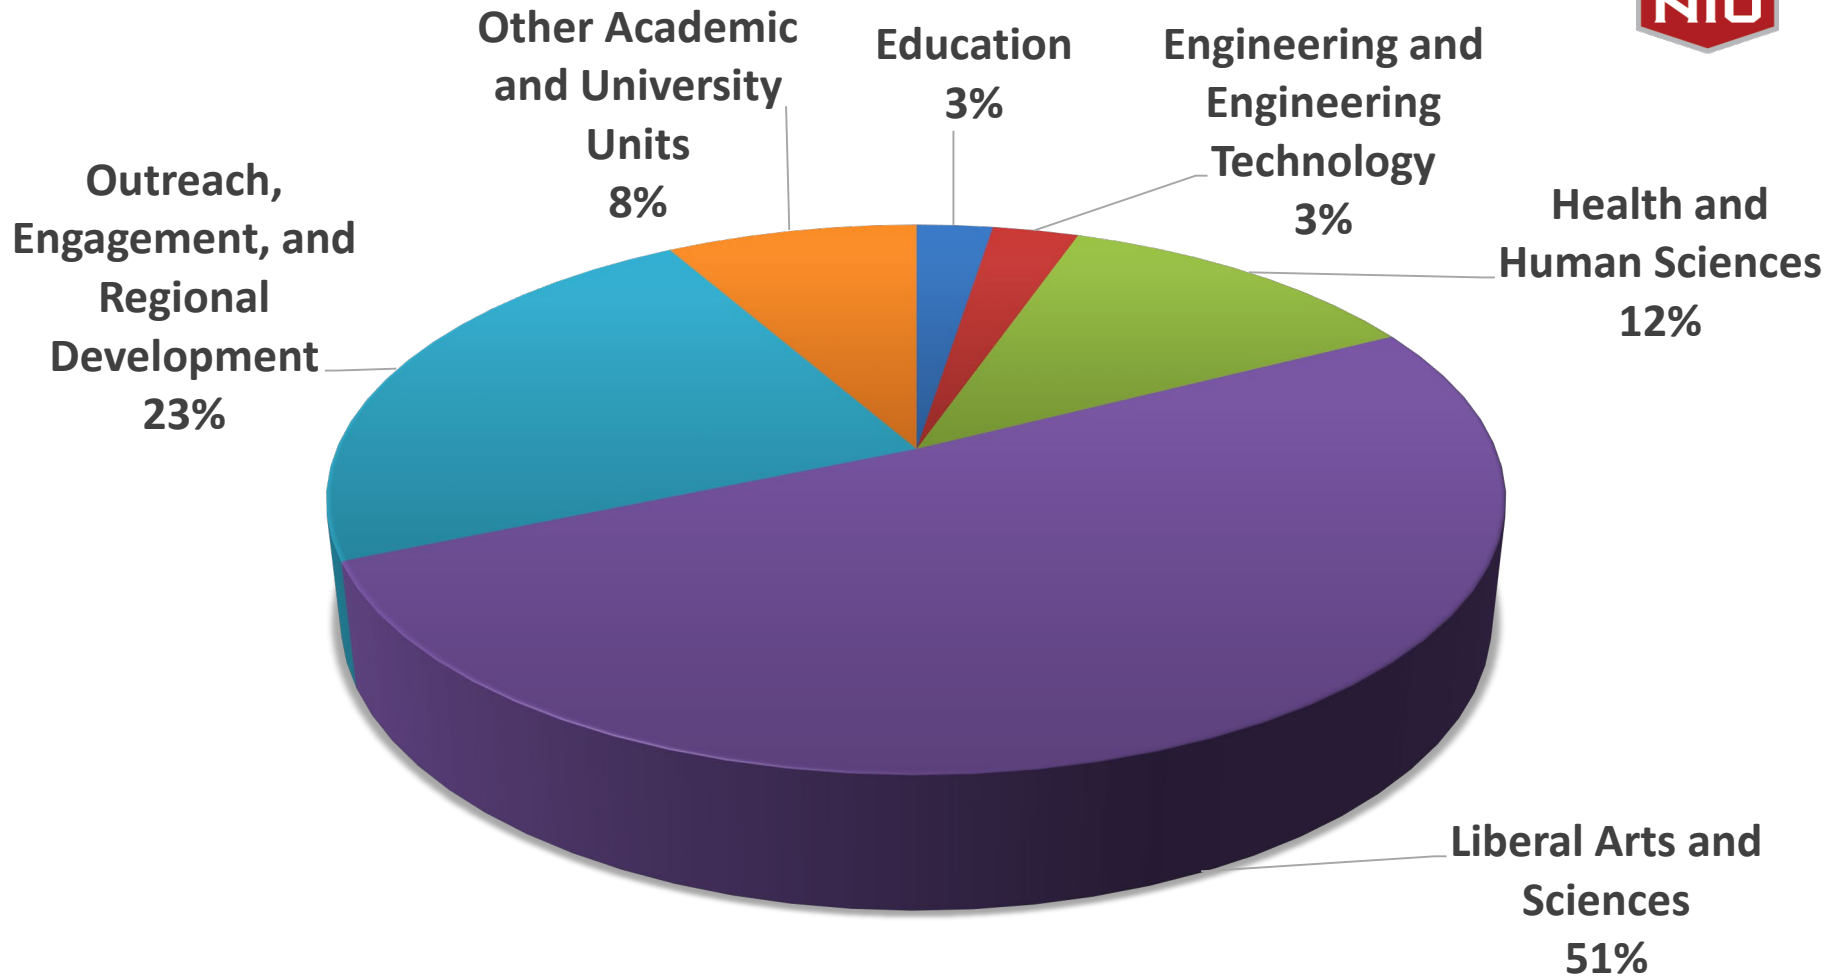

Funding by Sponsor

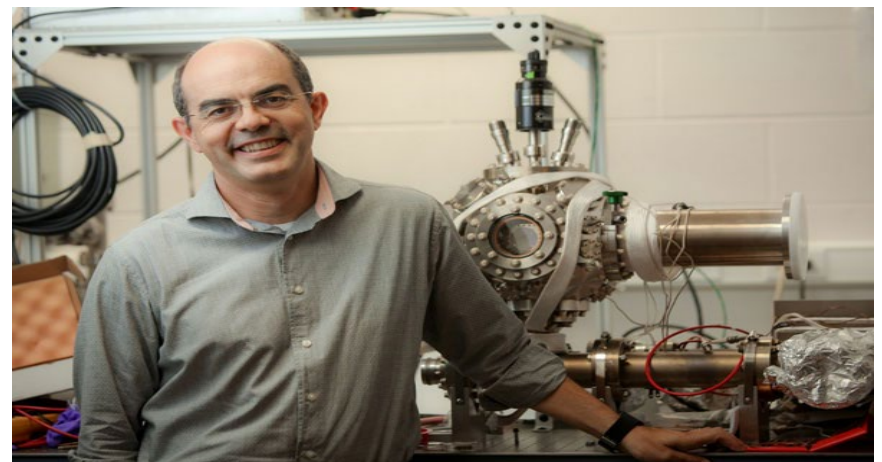

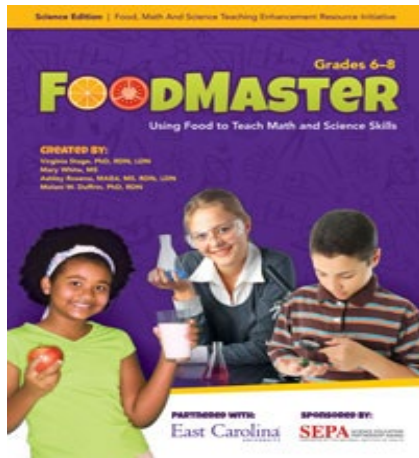

Long Term NIU Funding Trends

Funding by College/Unit

Awards Spotlight

Looking Ahead: Hot Issues

Federal

- Regulatory Burden
- Foreign Influence
- Sexual Harassment

State

- Grants Accountability and Transparency Act (GATA)

Summary

- Total sponsored funding and research funding continues to increase.
- Most of the increase in FY 2019 funding came from State of Illinois grants.
- NIU and area national laboratory collaborations remain strong and continue to grow.
- Rapid funding growth and hot issues will require coordination between SPA and university units.

Thank you.
