Proposals by # and \$ (With Covid 19)

Proposals by # and \$ (Without COVID 19)

Composition of Funding by Source

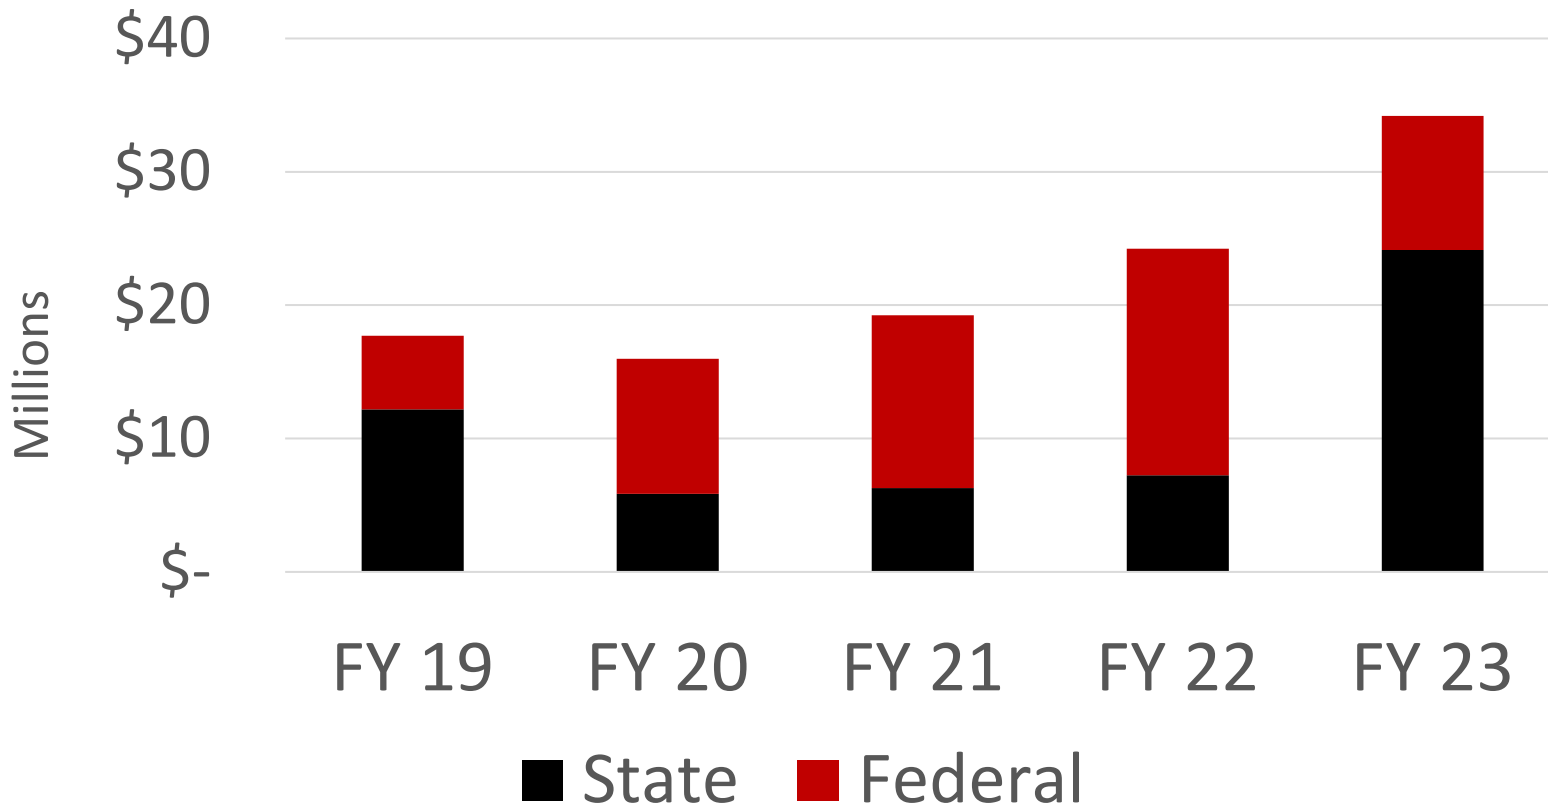

Composition Determined by Originating Source

State of Illinois Funding Trend

Comparison of Direct State Funding and Federal Pass Through

Summary

- Sponsored proposal and award volume continues to increase, with a 72% increase since FY 2019
- Federal funds account for most sponsored funding, but direct State funding is increasing
- SPA continues to look for ways to modernize to keep pace with the increased volume and complexity
- More detailed information about FY 23 proposals and awards can be found via the [SPA](#) 2023 Annual Report (SPA Website – Award Data and Reports)
