Externships (4 credits), Prof. Greg Anderson (Room 173 for classroom component)

Criminal Law Externship (Law 800.1)
Civil Externship (Law 800.2)
Judicial Externship (Law 800.7)
Externship Classroom Component (Law 820)

Students may receive academic credit and fulfill their experiential learning requirement by successfully completing an externship and its classroom component over the summer.

Externship placements will be for a maximum of 24 hours per week for a minimum of 7 weeks, to accommodate the 168 hour of field work required. Within these parameters, individual schedules may be modified—i.e., by decreasing the number of weekly hours and increasing the number of weeks spent in the placement—by agreement with the externship instructor and placement supervisor. Placements may begin no earlier than May 22 and must conclude no later than August 7.

To register for an externship, you must contact Professor Anderson to complete an application form and confirm that you have enrolled in or completed both Professional Responsibility and Introduction to Lawyering Skills.

The classroom component for summer externships will meet weekly on a schedule yet to be determined. We anticipate that it will be conducted in an online format in the early evening. Please contact Professor Greg Anderson for more information.
Clinic Courses (4 credits)

Registration for clinic courses is by application. Applications for the clinic are available online at http://www.niu.edu/law/academic/experiential/clinical_program/application_process.shtml. Clinic courses will run for 7 weeks, typically from May 22 through July 7 (or as agreed by instructor or otherwise noted below). Each clinic course requires 24 hours per week of field work (total 168 hours) plus the clinic seminars.

Civil Justice Clinic (Law 805.1) (4 credits), Prof. Wendy Vaughn

Clinic seminars will be scheduled to accommodate the students’ schedules.

Prerequisites: (1) 711 License (completed 45 credit hours; application available at www.niu.edu/law/_pdfs/experiential/711_Instructions.pdf); (2) Lawyering Skills; (3) Professional Responsibility. At least one full day must be spent in Rockford at the Zeke Giorgi Legal Clinic for students to conduct intakes, to participate in court hearings, and to meet with clients, witnesses, and Professor Vaughn. Given the court's scheduling of hearings, students should plan to spend their full day in Rockford on Tuesdays or Thursdays. The additional clinic time may be another full day or two half days. Students may complete some of their work at the Clinical Law Center in Swen Parson. Students’ schedules will be arranged in consultation with Professor Vaughn.
