| Category (weight) | Goal | Measurable Objective |
|-------------------|--|---|
| Enrollment (25%) | Execute 2019-23 Strategic Enrollment Management Plan to achieve enrollment goals and objectives | |
| • Recruitment | Recruitment Goals/Objectives (15%) | Short-term Recruitment Goals |
| (15%) | | For Fall 20, within the context of high-level policy development: |
| | | Stabilize total enrollment at approximately 16,750 |
| | | • Sustain main campus undergraduate enrollment at or above 11,570 with new freshman enrollment at or above 1,915 and new transfer enrollment at or above 1,600 |
| | | • Grow online enrollment so that total online enrollment exceeds 1,130 students, approximately 65% graduate and 35% undergraduate |
| | | Increase new domestic out-of-state enrollment to 167 students or more |
| | | Long-term Recruitment Goals |
| | | Within the context of high-level policy development: |
| | | • Increase new freshman enrollment to 2,052 by Fall 2023, while maintaining academic quality and diversity measures. This represents 10% growth over Fall 2018. |
| | | • Increase college transfer enrollment to 1,656 by Fall 2023. This represents 5% growth over Fall 2018. |
| | | • Increase new graduate enrollment to 894 by Fall 2023, while maintaining academic quality and diversity measures. This represents 5% growth over 2018. |
| | | |

Increase new international student enrollment to 294 by Fall 2023. This represents 20% growth over Fall 2018. Increase overall online program enrollment to 1,773 by Fall 2023. This represents 1000 additional students and 125% growth over Fall 2018. Increase new out-of-state student enrollment to 238 by Fall 2023. This represents 119 additional students and 100% growth over Fall 2018. Become a designated Hispanic Serving Institution (HSI) with 25% undergraduate Latinx enrollment, while continuing to attract and retain students representing the full diversity of our region, nation and world as we have done consistently to honor our public mission and commitment to access. • Student Success Short-term Student Success Goals Student Success Goals/Objectives (10%) (10%)In FY19, NIU affiliated with two learning communities focused on enhancing student success and closing equity gaps for students of color, first generation students, and students from low income backgrounds: Illinois Equity in Attainment (ILEA) and APLU Powered by Publics. In FY20, NIU will begin specific projects as a result of these partnerships: • Launch ILEA equity plan strategies that are aligned with our strategic enrollment management (SEM) plan. In FY20, NIU will focus on closing equity gaps in gateway courses for Black students (understanding that the proactive interventions may have wider benefit).

NIU Board of Trustees June 13, 2019

On average, a 10% equity gap exists between achievement rates for Black students and their peers in select gateway courses. These courses impact large numbers of students and are required for access to numerous majors and minors. Pedagogical revisions will be considered during the 2019-2020 academic year. For example, a co-requisite pilot for Math 110 will be instituted in Fall 2019, with plans for the outcomes to inform design and initial implementation of a more comprehensive co-requisite plan that will include COMS 100 by Spring 2021, and that will ultimately extend to BIOS 103, CHEM 110 and PSYCH 102.

 NIU will collaborate with fellow members of the <u>High Pell transformation cluster</u> of APLU Powered by Publics to identify scalable, evidence-based practices that can be used to develop and implement an effective financial literacy program, aligned with our SEM plan.

Long-term Student Success Goals

NIU aspires to eliminate racial and socioeconomic achievement gaps. In this context, the university committed in 2017 to a five-year plan focused on reducing equity gaps, and improving retention and graduation rates:

- Maintain the 1st-year retention rates for Latinx and Asian American students at or above the institutional average, understanding that "at average" can fluctuate annually by 1% or 2%.
- Reduce the 6-year graduation rate gap for Latinx students to 5% or less within three years and sustain gaps no greater than 5%.

| | | Reduce the 1st-year retention rate gaps for Black new freshmen to 10% or less within three years, understanding that success will mean consistently staying within 1% to 2% of that range for at least three years. Reduce the 1st-year retention rate gaps for Black transfer students to 6% or less within three years and sustain gaps no greater than 6%. Achieve a 1st-year retention rate of 75% for all NIU new freshman by Fall 2023. |
